Subject: Information/interview request

Hi Stan -- I hope all is well. Attached is a request for some information -- it's mostly things we've asked for in previous interviews or updates of documents you've sent in the past. Let me know if anything isn't clear.

Also, we have some general follow-up questions for you -- mostly clarifying things we've discussed in the past and questions regarding EPA's response to the NAS formaldehyde report. I was hoping we could meet next week - we're free all day Tuesday, August 9 or Thursday, August 11 to do a video conference. Let me know if either of those works for you.

Finally, I wanted to let you know that our requestor asked us to move our issue date. We will now be issuing our report on October 26, 2011. We will send you a draft for Agency comments September 15.

Let me know if you have questions,
Summer
